A note from your teachers

How is it already the end of the year?! It went by so fast! We have truly enjoyed spending the year with your kiddos, and we appreciate you all so much!

We are hoping the warm weather starts being more consistent every day, but please continue to send your child with warm layers so that if it is still chilly in the morning they can still stay warm.

Graduation is Thursday, May 16 at 6:30 pm. We will have the program upstairs in the church sanctuary. Please have your child in our classroom by 6:15 pm.

Our end of the year field trip is Tuesday, May 21. See field trip information for details.

Ms. Emily will be doing final testing and assessments this month, so our class schedule will be very flexible. Plus, we plan on spending A LOT more time outside now.

We hope you have a great summer to follow!

Millennium Park Field Trip Information

Our end of the year picnic is Wednesday, May 24. We will be loading up on the busses at 9:30 and returning by 1:00. Since this is a picnic, we will need you to bring a sack lunch for your child (and yourself if you plan on joining us). Please make sure you also pack them a water bottle labeled with their name as we are not sure if drinking fountains are open yet.

Things to remember:

- Warm jacket and rain boots as needed
- Extra clothes
