Hey parents!

I can't believe that it's already April, this year has flown by! Here are the things to know for this month!

Our themes this month are Kids Pick and Spring! For kids pick I asked each student what they wanted to learn about and added it to our list! See if you can guess what one your child picked! The second half of the month is when we will be talking about Spring and what that means! I will also begin the Spring Assessments.

Just so you are aware, we have staff that have jumped in to help with our class while Ms. Erika was out, two of them are staying and they are Ms. Rachel and Ms. Brittany. Ms. Rachel was originally working in the Caterpillars and Ms. Brittany was working in the Giraffes. Ms. Brittany is blind so if you hear any talk about blindness, its her. 😊

We have A LOT planned this month both with the school and our room! Check it all out below!
