Hey parents!

I can't believe that it's already the last month of preschool! This school year has just flown by! Thank you so much for the honor that was being your child's teacher this year! I'm going to miss each and every single one of my kiddos dearly.

This month our main themes are going to be review and flowers! I plan an easy month simply because there is going to be so much chaos going around, that the students simply aren't going to be paying attention.

Important dates for this month are listed above! However, I do want to touch base about 2 major ones!

5/14- Breakfast with your favorite female. This will be a fun little breakfast held at our center at 9:00am! All females are welcomed to come! There will be breakfast, crafts and books, this will last until 10!

5/16- Graduation Night! Our Graduation Night is just like the Christmas Program. Please drop off all kids at their classroom by 6:15 and then head upstairs. Everyone is welcome to join! The kids will sing 3 songs as a group and then each class will preform their own activity on stage. **The Teddy Bears will be located at the library after the show!** There will be snacks and refreshment's afterwards as well.

Thank you again for the amazing year! I truly can't put into words how amazing it has been!

With love,
Ambrosia
